FEATURES

Emblematic Works: 14.006

Fixing kit: Included

Minimum flushing quantity (l): 0.5

Outlet diameter (mm): 50

Outlet height (mm): 460

Power supply (V): 230

Power supply type: Mains operated

Remote control type: Infrared

Syphon and connectors included

Vandal proof

Water inlet position: Back horizontal

Proton

With its minimalist design, Proton is also the first Rimless urinal in our catalogue. Its design with thin and well-defined walls, without rim, prevents dirt from building up and allows for easy cleaning. Available in electronic version that integrates the motion sensor for contactless flushing, and in conventional top or rear-feed versions for mechanical flush valves.
